November 16, 2008

Our guest speaker today is Paul Windsor. Paul is from New Zealand, and our featured speaker for the conference. Paul was on the faculty of the Bible College of New Zealand for eight years before becoming principal of Carey Baptist College, New Zealand. In March, 2009 he will join the international staff team of the global mission of John Stott Ministries as the Associate Director of Langham Preaching, a movement set aside to resource indigenous biblical preaching movements in the countries of the developing world.

Paul was a missionary kid who grew up in India. He and his family were close to Pastor Charles Warren and his family. That is how he met his wife, Barby, Pastor Warren's daughter. They were married in 1982.

Paul received his MDiv degree from Trinity Evangelical Divinity School, Deerfield, IL. He is presently working on his Doctorate of Ministry program which he hopes to complete in 2009.
